Mercury Halts on Upward Climb at 87, and Town Takes New Lease on Life.

#### BUT IT'LL BE WARMER TO-DAY

Louisville and St. Louis Scorch Up to 100, While Rain Cools Atlanta's Hot Air.

that was as good as a vacation at the beach, the Westerners fairly sizzled and fried under the record temperatures of the year. The worst that
the weather man could show for Richmond was 87 degrees at the very hottest part of the day, and by 8 o'clock
in the evening the mercury had dropped
to the delightful figure of 72. But
"warmer" is the dope for to-day.
Louisville and St. Louis showed the
country something new in the way

country something new in the way of heat by tying for the honors with 100 degrees each as their maximum temperatures. That is two degrees hotter than the hottest we have had this year, and every little degree counts a great deal when it passes the

should not boast about cool days. The distribution of the temperatures on the weather map indicates that a little heat wave is just breaking over the country, and will probably hit us soon enough—in fact, sooner. Chicago had 99 degrees, and so did Jacksonville and Winnipeg, which would seem to indicate that it is hotter in the South than it is in the North.

St. Paul, Montgomery and Atlanta all had 92 degrees at the worst, and every other place on the weather map

Suffering in Calgary.

here was severe suffering in Caly, where the mercury mounted to
outrageous allitude of 70 in the
de. It is said that all the milthe outrageous altitude of 70 in the shade. It is said that all the millionaires in that town go down to the Arctic Circle whenever it rises above 60. Later in the day, however, it rained in Calgary, bringing the pressure down to 50, which prevented a complete exodus of the population.

Atlanta was the only other city on the weather map where it rained, and they probably needed it. The maximum temperature was 92 degrees, and at 8 o'clock in the evening it had dropped to 68, which is considered pretty cold weather in Georgia almost any time. Winnipeg experienced a till more sensational change, going from 30 degrees at the hottest down to 54 at 8 o'clock.

The legislative brow in Washington

The legislative brow in Washington under the The legislative brow in Washington under the command of General J. s cooled to the tune of 88 degrees Thompson Brown. The Second Brigade, the hottest hour, dropping as low under General W. W. Henry, of Tazeas 76. The county officers telephoned to police headquarters telephoned to police headquarters and Chief Werner dispatched a force of five men, Sergeant others being fr. A. Campodonico, L. Bertucci, W. P. Waters and J. L. Wyatt.

The eight officers, sure that the two disorderlies were in the room, demanded admitter. ed admittance. They were and immediately broke down L. Wright, P. J. Denzler, H. H. Pollard, all of Richmond.

#### SHOP EARLY, THE WORD

ment to Relieve Salespeople.

A hint to shop in the morning, thereby saving your temper and giving

Obviously the strenuous sport of barmatching stuffs for summer dresses, which are the daily occupation of women, demand cool weather and a cool head. Neither of these is possible along Broad Street pavements during the hours between noon and 3 or 4 to clock. Therefore, the correct tip is to sally forth right after breakfast, while the dew is still on the lamp posts and the sparrows are singing among the telephone wires. You will not only enjoy your shopping tour more, but you will confer a great boon upon the patient young woman behind the counter, whose nerves are also affected by the heat.

West Brond Street, and his wife, were thrown from a buggy yesterday morning at Monument and Allen Avenues, when their horse became frightened at a passing automobile and ran away. Neither was hurt. The animal broke a shaft of the vehicle and snapped its harness, but was stopped before it had gone far.

Escaped Convict Caught.

James Richardson, colored, was arrested by Policemen Lec and Webster as an escaped convict from the road forces of the State Picture and Table 1 and rested by Policemen Lec and Webster as an escaped convict from the road forces of the State. Richardson was sentenced to serve sixty days by Jus-tice Cructhfield on a larceny charge.

#### LEAVES FOR CAPITAL

Minister Stovall Will Confer With Secretary Bryan.

Party From Richmond to
Celebration.

With lusty cries of "On to Gettysours," the quiet of the Sabbath morning was shattered yesterday when a gambling joint last night, made seven angeled train bearing more than 400 confederate veterans pulled out of this arrests, and confiscated a fine layout of poker chips, cards and tables, and type over the Richmond, Fredericksours and Potomac Railroad for the two cases of beer. They also raided a part away of the Potomac Railroad for the two cases of beer. They also raided a risburg for a copy of the law.

City and County Police Break In Movement, and it is certain that a bill will be introduced in the Legislature at the home station at 9 A. M. Sunday morning in service uniform. They will entrain at Byrd Street the session in January. As there is no pronounced opposition to it, and every reason for its enactment, it is believed that Virginia will join Pennsylvania, which last week passed a similar law.

A member of the House of Delegates from this city said yesterday that he had been approached by several ministers, and that he has written to Harrisburg for a copy of the law.

The rest of the First Regiment will

The rest of the First Regiment It was from the picnic that the trail led to the gambling-house. According to the tickets, the entertainment, which was held at Robin's Park, on the Seven Pines Road, was "the grand picnic of Workingments Sick. Benevolent and Educational Federation." In spite of its laudable name, the officers had reason to believe that there was more beer than benevolence in evidence, and accordingly three of them—T. W. Seay, J. F. Shomaker and Walter Schurm—purchased tickets and went to the indiscriminate method of issuing licenses heretofore and lit was from the pinnsylvania law.

"I see no reason why we should not have one in Virginia," said the member. "So much has been written about eugenics that the average person is apt to confuse it with some form of uplift work that is more theoretical. It is different, however, in this case. As I understand it, the Pennsylvania law.

The rest of the First Regiment will come in another section. Colonel William J. Perry, with the regimental band and staff officers, will leave Staunton with the Charlottesville and Staunton companies. This section will be met at Doswell by companies from Leesville, Alexandria and Fredericks-in this case. As I understand it, the Pennsylvania law.
